KASA, Inc COVID-19 "STAY SAFE" rules/guidelines

1. Each person/player should social distance and Follow "Social Distancing Recommendations". Signs are posted throughout the park as a reminder. This includes but is not limited to the 6-foot distancing recommendation. NO contact (high fives, shaking hands, hugs, etc.) while on the premises. Church leagues may practice prayers after games while maintaining required social distance.
2. Exhibit caution when engaging in close contact team sports.
3. Teams should limit their spectators per team.
Please encourage your teammates to follow this rule.
4. Spectators maintain social distancing between household groups and wear face coverings when social distancing guidelines are difficult to maintain.
5. Avoid contact with high-touch surfaces, including fence tops near fields and dug out areas.
6. Do not congregate in any outdoor space. Limit cross traffic and loitering between fields and players before/after games. Please do not congregate and socialize before and after games. We expect teams to show up to the fields with enough time to warm up and quickly collect your things and exit the park after your game. No loitering or congregating (including in the parking lot).
7. Participants should have their symptoms checked prior to each competition or practice. (This is up to team captains to ask questions of your team and make sure any player or spectator that isn't feeling well or has a fever, or may have been in contact with those symptoms to please stay home).
8. Facemasks, though not required, are highly encouraged for players and spectators. You will need to provide your own masks.
9. Teams are encouraged to bring hand sanitizer, sanitation wipes to wipe down bats between batters if bats are shared or to provide your own bat.
10. When your team is at bat, please don't congregate in your teams dug out. We encourage teams to stay behind the dug outs on the grass (not in the field of play) and distance yourself from other players.
11. The catcher must be at least 6 feet behind the batter. The umpire will be on the side of the batter/catcher and at least 6 feet away.
12. KASA, Inc is taking a few precautionary measures; each person entering the park is doing so at their own risk. Using good judgment and good hygiene habits are the best actions you can take to reduce your risk to COVID-19. KASA, Inc will continue to monitor COVID-19 and adjust precautionary advisory.
